Special geocaches have been hidden at more than 40 sites throughout the Chesapeake region. All the sites have a connection to Captain John Smith and his voyages of exploration throughout the Chesapeake Bay region more than four centuries ago. When you discover a geocache, record the location, date and code in this passport. The first 400 people who find and record at least 15 geocaches will receive a commemorative, trackable geocoin. Good luck!
